

The Brotherhood

By Frank Stopa

“I just didn't want to put it down. You're always wondering what will happen next.”

The Brotherhood for the Jihad enters the world of Global Jihad by derailing an international communications plan and kidnapping its American backer. When one of the kidnappers and his target are marooned in the mountains of Colorado, the two must rely on one another for survival while both sides race toward a dramatic rescue.

Frank Stopa is a former CIA officer who has trained students in the military, intelligence, law enforcement, and business in cutting edge human intelligence and counter terrorism techniques for over a decade. Other novels include *The Long Winter: Intrigue at Valley Forge*. He has also written a business book, *The Human Skills: Elicitation & Interviewing*.
